

Internship Graphic Design

Are you ready to embark on an internship with an innovative and entrepreneurial company? Are you ready to take your graphic design skills to the next level by tackling real-world challenges in a dynamic and fast-paced environment? Look no further! Fokker Services Group is currently on the lookout for a motivated intern to become an integral part of our Project Management department.

Internship Focus - Unleash Your Creative Talents: Roadmap Visualization, Fokker Streetview, and Dynamic Narrow Casting

At Fokker Services Group, we're propelling ourselves into the digital age, and that's where your creative prowess comes into play. We're seeking a compelling roadmap visualization that will not only captivate our employees, customers, and suppliers but also inspire them to embrace and align with our visionary philosophy. Your artistic flair will bring this roadmap to life, whether it's through a dynamic animated PowerPoint or another easily maintainable solution that showcases our journey into the future.

Moreover, we've embarked on a thrilling journey of digitizing our facilities using cutting-edge 360 cameras, effectively creating our very own Fokker Streetview. Your design magic will be integral in visually mapping out our entire value chain. This digital platform will also serve as the foundation for a comprehensive digital capability list, a project that you'll have the exciting opportunity to shape from scratch.

Additionally, our innovative spirit has led us to initiate a narrow casting/signage project that requires your creative genius. Your designs will play a pivotal role in this venture, making sure our messages are effectively communicated and resonate with our target audience.

What We're Seeking in You

Educational Background: Ideally, you're pursuing a WO/HBO degree with a specialization in Graphic Design. Your educational journey has provided you with a strong foundation in design principles and techniques.

Passion and Drive: We're looking for a student bursting with motivation and a genuine eagerness to excel in this internship. This is your chance to shine and make a meaningful impact.

Collaborative Spirit: As a valuable member of our team, your ability to collaborate effectively with various departments is crucial. Your excellent communication skills will foster a seamless workflow.

A Hint of Commercial Acumen: While not mandatory, a basic understanding of commercial dynamics will certainly set you apart.

Additional Insights

Internship Kick-off: This exciting internship adventure is scheduled to kick off as soon as possible and is expected to span 6 months, tailored to accommodate the specific requirements of.

Ready to make Your Mark?

If you're excited about immersing yourself in a hands-on graphic design challenge, collaborating harmoniously with diverse and dynamic teams, and contributing your innovative insights to the aviation industry, we invite you to take the leap and apply for this remarkable internship opportunity with Fokker Services Group. Let's together create a substantial and lasting impact in the world of aviation. Your creativity knows no bounds—let it soar with us!

About Fokker Services Group

At Fokker Services Group, our greatest purpose is to exceed reliability expectations, keeping customer aircraft where they belong - in the sky!

An aftermarket integrator with design, production, maintenance, and airworthiness expertise and experience, on which commercial and defense operators around the world rely for the continued competitive operation of their fleet. Unique independent competence for comprehensive single source solutions with a global presence, with facilities in Europe, Asia and the Americas. The Fokker Services Group has a profitable revenue of Euro 250M and employs around 1000 people.

Our Values

As a High Performance Organization, our core values shine through in everything we do:

Customer Focus

We meet and exceed our customers' expectations by offering unique and personalized solutions. Creating clear expectations and building a sustainable relationship based on quality, safety and trust is what we value most.

Innovative Thinking

Our success is based upon an innovative mindset. We identify and create new opportunities, products and customer solutions by being brave, daring to lead and making decisions. With our entrepreneurial and growth mindset, we explore and learn ways of doing things differently every single day.

Global Excellence

We strive for quality, reliability and excellence. Together we create a high-performance culture in which digital transformation, continuous learning and improvement is key. Sharing knowledge, and working cross functionally helps us to inspire and achieve our shared goal; to exceed expectations and keep aircrafts where they belong; in the sky!

We Care

Our people are at the heart of our organization. Only when we work together can we create an inclusive and respectful work environment in which we motivate, support and inspire each

other. We make a difference by being open, honest, respectful and empathetic towards each other. Safety, quality and trust are paramount.
