

Manager Quality Assurance Schiphol (Oude Meer)

Do you have a keen eye for improvement and are you always looking for ways to do things smarter? Join our global Safety Health Environment and Quality crew and enjoy the flight!

The role

As Manager Quality Assurance you are part of the Global SHEQ (Safety Health Environment and Quality) community. With Quality Assurance on every site, together with your colleagues you drive best practice sharing and continuous improvement. You report directly to the SHEQ Director. Furthermore you:

- Maintain and improve the SHEQ system for the Component Maintenance site at Schiphol (Oude Meer);
- ensure that all standard requirements set by the Aviation authorities and Safety Health and Environmental regulations are being met;
- develop and maintain strong relationships with department managers and team leaders.

What will you be doing?

In this role you are responsible for the Quality- and Safety Management System. Your major responsibilities and tasks are:

- Maintain the license to operate for EASA regulations and other aviation authority regulations like the FAA, TCCA, CAAC, CAA-UK;
- develop a Safety Management System;
- prepare and execute the yearly audit plans;
- request remedial action by process owners;
- be part of the audit feedback system;
- maintain relationships with and control records of authorized staff;
- prepare Management Reviews, Audit plan progress, findings and occurrences;
- support external auditors;
- support to improve processes;
- deliver input for and maintain trainings (e.g. continuation training, human factors, basic quality);
- RI&E, Chemical, ARBO, Machine Risk Assessments.

What do we ask from you?

- A Master's degree, preferably aerospace related;
- experience within the Aerospace is not a must have, we are looking for someone who has the drive and motivation to learn;
- you have a keen eye for improvement and you are always looking for ways to do things smarter;
- experience with Aviation regulations (preferable Part 145, Part 21);
- experience with ISO (preferable AS9100D) & Safety Management System;
- experience with ARBO, ISO14001 regulation and standards;
- excellent people skills, a motivator, strong team player;
- excellent communication, presentation- and facilitation skills;
- proven record in mobilizing commitment and able to develop a vision on safety management;
- result driven and pro-active approach;
- excellent knowledge of Dutch and English, verbally and written;
- willingness to travel (internationally).

What do we offer you?

The CLA (CAO) Metalelektro applies. This consists out of the following:

- A competitive salary with a maximum of € 6.409 gross per month;
- when working fulltime (40 hours), you have 29 holiday days and 13 ADV leave days per year;
- room for professional and personal growth and a lot of autonomy;
- we invest in making a personal development plan and discuss training needs;
- career opportunities.

About Fokker Services

At Fokker Services, our drive revolves around one purpose: exceed reliability expectations to keep your aircraft where they belong, in the sky. As a Global Independent Aerospace Service Provider, we create tailored solutions for your maintenance of regional, commercial and military aircraft. We engineer, repair, upgrade, and deliver high-quality solutions, innovating in multiple areas to facilitate and support your competitive operations. Our services range from type certificate holder-related product support services to flight hour based component availability and repair programs, spare parts, engineering, modifications and documentation support. The unique combination of OEM (design) expertise and after-sales support services makes us an essential partner for the aerospace industry. We have a global presence, with facilities in Europe, Asia and the Americas.

Working With Us

What is the height of your ambition? Ours starts at roughly 30,000 feet and climbs from there. Few people know what it feels like to set their work in the sky. Others may have a hard time relating but your colleagues understand that when your work takes flight, so do you. Which is why our team leaders are so driven to support the development of your maximum potential. Together, your work will mix renewal with innovation, reinvention and repair to create tailored solutions that soar. Your entrepreneurial spirit will be given the space to maneuver, working with a team that is as open, transparent, and engaged as you are.

With Fokker Services Group, every action you take has a meaningful impact on a customer's success. It's this total combination, and the strength of the relationships formed through a shared dedication, that keeps hardworking talent here for 20, 30 plus years. Time enough to reach the height of your ambition and discover what lies beyond.
