

Aircraft mechanic

Woensdrecht, the Netherlands

Our company is growing and therefore looking for new Aircraft Mechanics!

The Role

As an Aircraft Mechanic, you play an important role in the execution of work on mechanical and electrical aircraft systems and engines in accordance with the Part 145. Upon arrival of aircraft, you perform entry tests. Furthermore, you are engaged in repairing, revising, modifying, testing, preparing and adjusting part and composite aircraft systems. Together with your colleagues, you ensure that work is done in accordance with the rules and standards in aviation. You will be working for Fokker Techniek in Woensdrecht. It is possible that you have to carry out work within your area of expertise, outside of the Netherlands.

Experience & Qualifications

- MBO level (VMBO niv 3/4 + job-oriented programs, ie VOM / VOT);
- Knowledge of procedures, regulations, manuals, technical manuals and regulations, as well as the applicable information systems within Aerospace;
- Experience with A320/A330/B737 are a plus;
- Adequate level of reading and understanding technical English for reading manuals, drawings and instructions;
- Craftsmanship is required for disassembly and assembly work with hand tools and the adjustment of aircraft systems, as well as for operating measuring tools and special test equipment.

What We Offer

- The CLA (CAO) Metalelektro applies;
- Work for a rapidly growing company in the Aerospace industry;
- A competitive salary matching your knowledge and experience;
- When working fulltime (40 hours), you have 27 holiday days and 13 ADV leave days per year.

Working With Us

What is the height of your ambition? Ours starts at roughly 30,000 feet and climbs from there. Few people know what it feels like to set their work in the sky. Others may have a hard time relating but your colleagues understand that when your work takes flight, so do you. Which is why our team leaders are so driven to support the development of your maximum potential. Together, your work will mix renewal with innovation, reinvention and repair to create tailored solutions that soar. Your entrepreneurial spirit will be given the space to manoeuvre, working with a team that is as open, transparent and engaged as you are. With Fokker Services Group, every action you take has a meaningful impact on a customer's success. It's this total combination, and the strength of the relationships formed through a shared dedication, that keeps hardworking talent here for 20, 30 plus years. Time enough to reach the height of your ambition, and discover what lies beyond.

How to apply

You can send your resume to Marieke Melaard (HR Business partner), at Marieke.melaard@fokkertechniek.com.
