

Application Manager PDM & Overhead

As an Independent Aerospace Service Provider, we offer tailor-made solutions to regional, commercial, and military aircraft.

From supplying parts and offering exchange programs, to component MRO and modification programs, we strive to offer our customers nothing but excellence in everything from engineering to customer service.

Our drive revolves around a single purpose: to keep aircraft where they belong, in the sky.

The position

As an Application Manager you are primarily responsible for sustaining the functionality delivered by the engineering- and overhead systems in use within Fokker Services. The field between IT and engineering comes as a second nature and makes you the ideal candidate as a liaison between these fields of interest.

Your responsibilities

- The operational support of the applications entrusted to you;
- functional management;
- suggest, prioritize and manage changes;
- liaison between Fokker Services and external IT vendors;
- provide a solution or assist in case of calamities;
- support and manage projects;
- provide documentation and training to the organization.

Your profile

We are looking for someone who has:

- A Bachelor degree in Engineering, IT or Business Administration;
- experience with engineering processes;
- experience with PLM and CAE tooling;
- self-managing capabilities with the ability to work in a continuously evolving enterprise business;
- a can do mentality with an emphasis on quality;
- a proficiency in the English and Dutch language.

Location

The main office of this position is Hoofddorp. Of course, we will be working from home as long as the government advises us to.

What do we offer?

The CAO Metaelektro applies. This consists out of the following:

- A competitive salary;
- when working fulltime (40 hours), you have 40 days of leave (holiday days and ADV days) per year;
- career opportunities;
- a lot of professional, personal growth and freedom.

How to apply?

This position is published internally and externally. You can send your cover letter and resume at the latest May 23 2021, to Arend Teters, IT Manager, arend.teters@fokker.com.
