17 February 2023

Dear Sir,

Subject: Acknowledgement Letter – Foreign Repair Station Certificate No. 259/2543

In reference to your letter, no. QD/0901/2023, dated 9 January 2023, concerning the renewal of Foreign Repair Station Certificate No. 259/2543.

Please be informed that the renewal certificate is currently being processed. In the interim, this letter hereby:

- i) acknowledges the application for renewal of Foreign Repair Station Certificate No. 259/2543, issued to FOKKER SERVICES AISA PTE. LTD., Singapore; and
- ii) certifies an extension of Repair Station activities until the certificate renewal processing is completed, unless otherwise decreed by the Director General.

All conditions and limitations specified in Foreign Repair Station Certificate No. 259/2543 remain in force during the renewal process.

Please do not hesitate to contact the Authority for any clarification required.

Yours sincerely,

(Paisit Herabat)

Manager of Airworthiness and Aircraft Engineering Department
