

# Warehousing

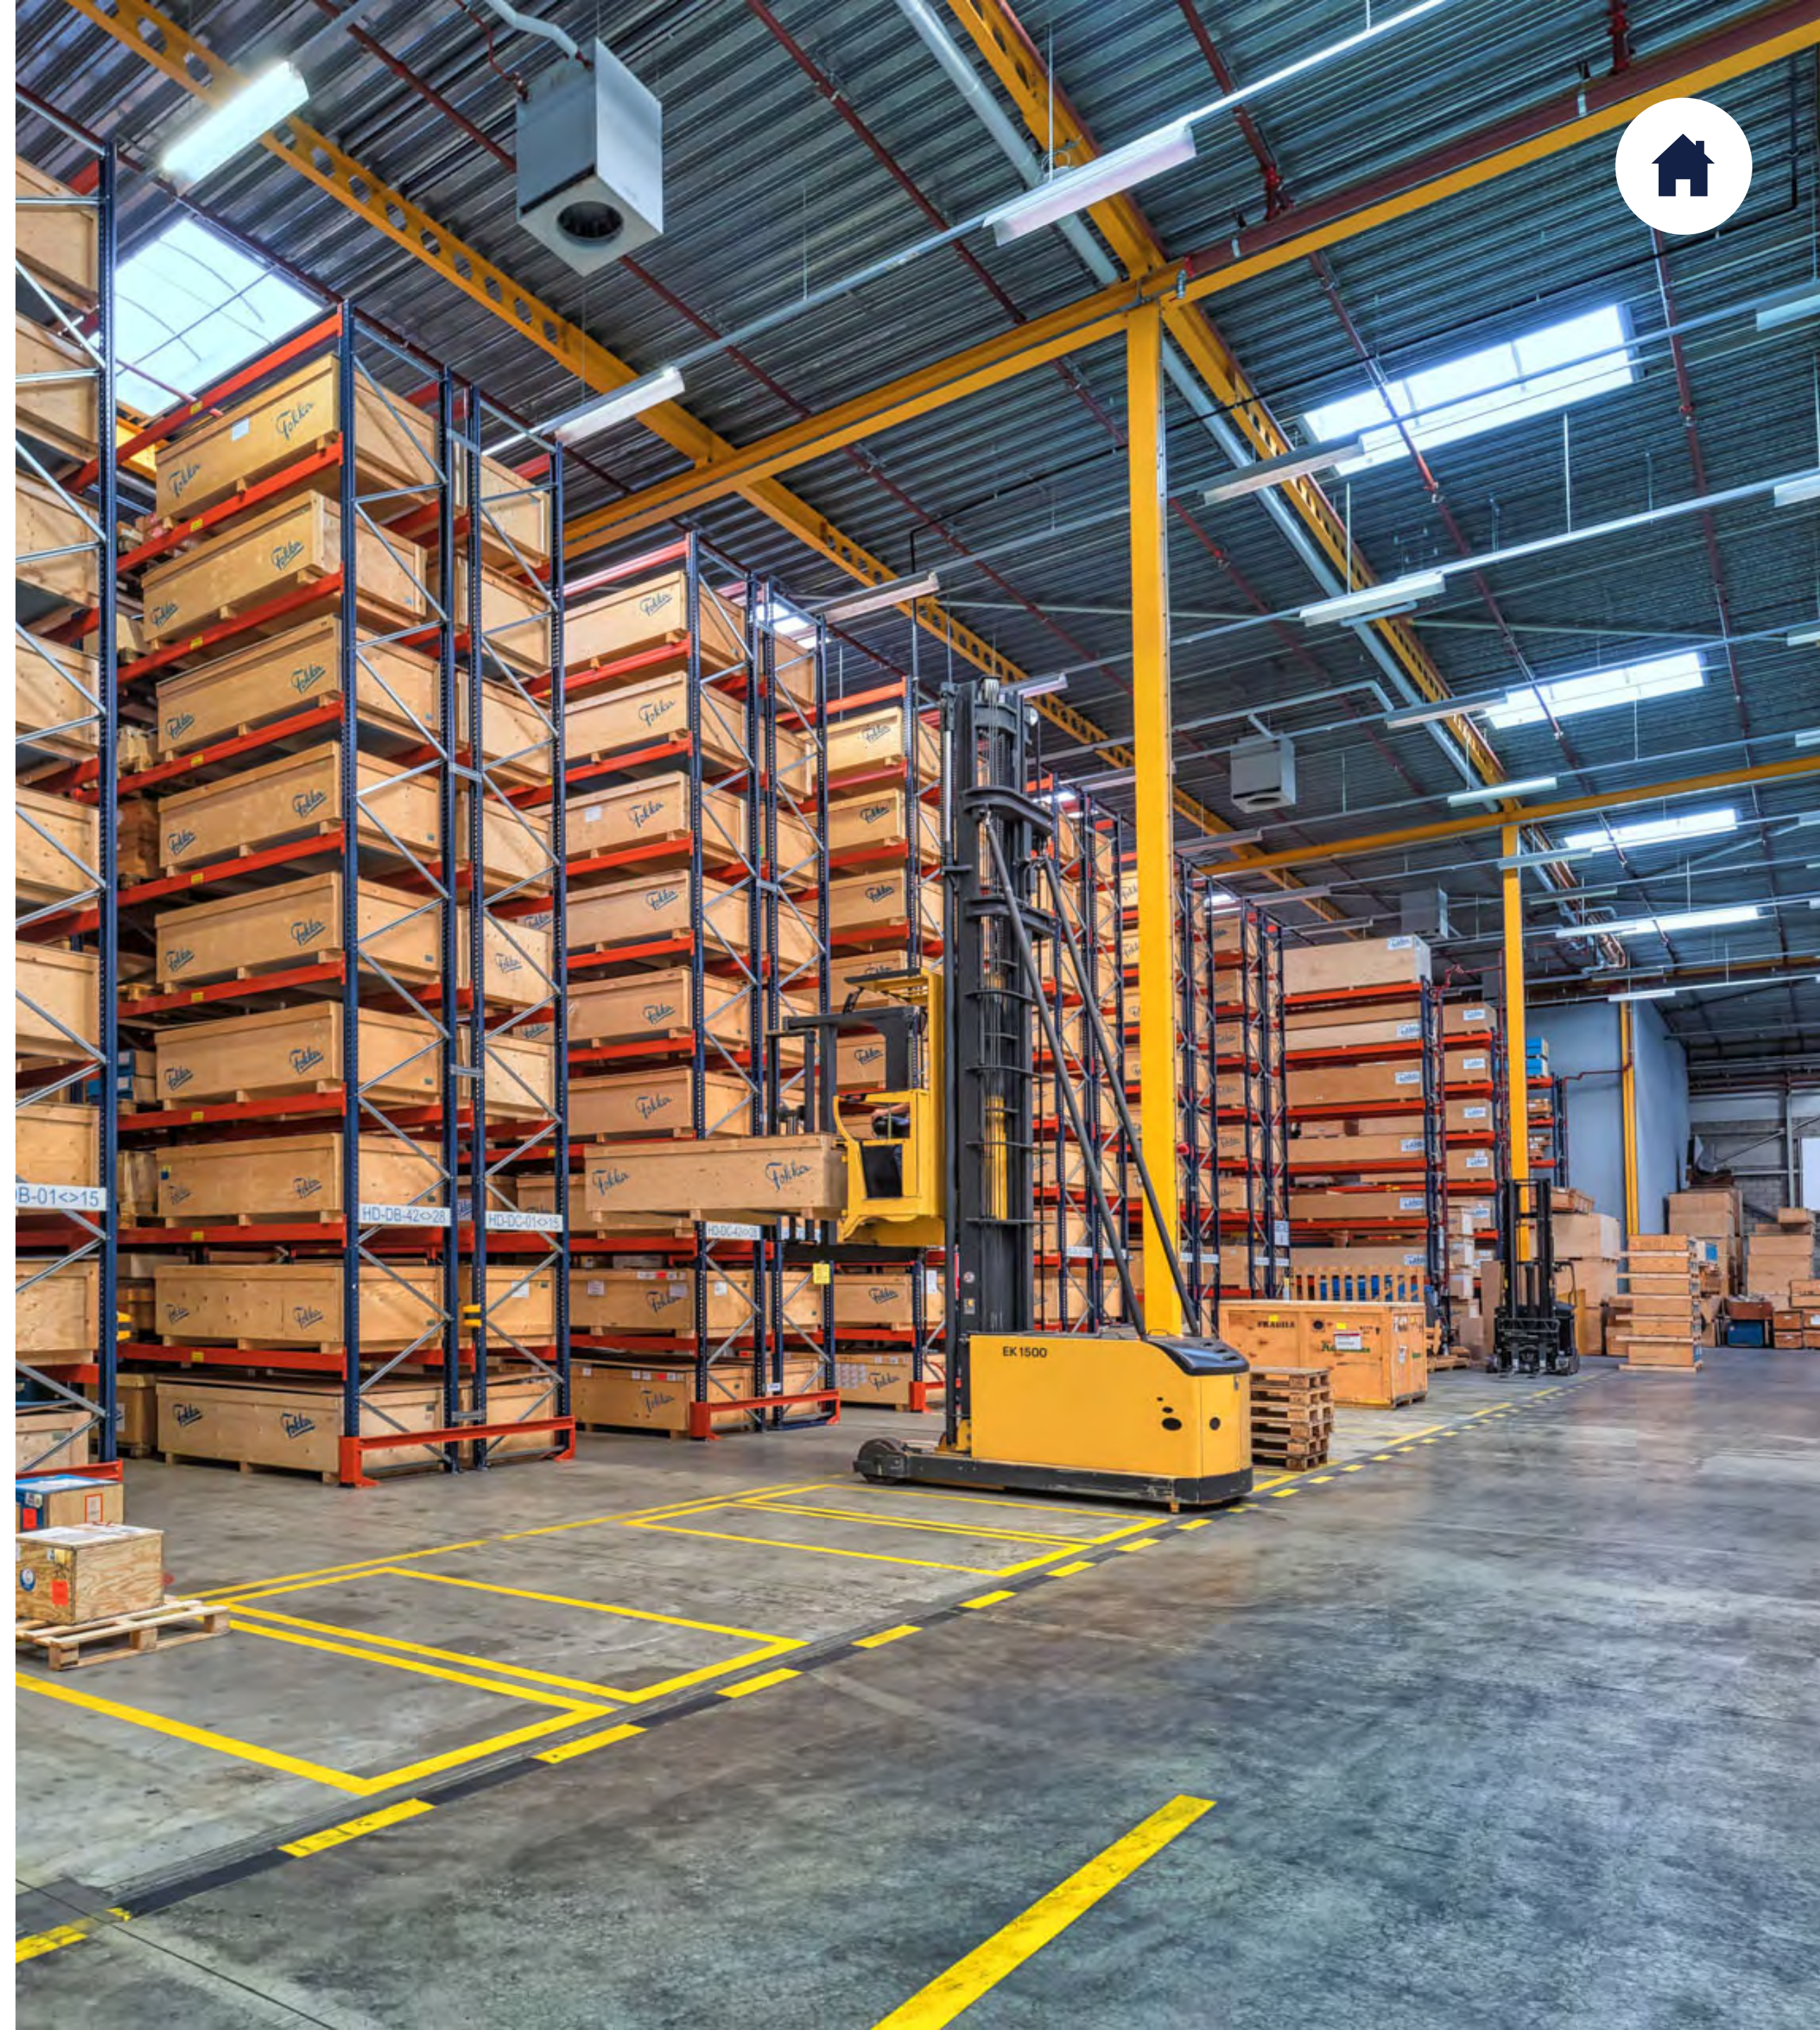

Customized Storage Solutions

At Fokker Services Group, we offer tailored solutions for your warehousing needs. With 24/7 access to logistical on-site support, transportation opportunities, customizable turnaround times, and streamlined in- and outbound transactions - we are logistics experts strategically located next to Amsterdam Airport Schiphol. We facilitate your warehousing needs so you can focus on your business operations and preserve capital by eliminating investment in storage space, technology and staff.

## A Trusted Aerospace Service Provider with Decades of Logistics Experience

- » Customizable turnaround times to align with your operations
- » 24/7: access to withdraw parts from your stock, and AOG desk availability
- » Flexible and efficient handling of volume and demand peaks
- » Scalability of the scope of your warehousing needs, from full service to basic storage
- » Strategic location next to one of Europe's largest airports for fast global shipping
- » Handling with aerospace quality and expertise
- » Assigned single point of contact for each customer

## Storage Facility

From small to large storage opportunities, our 14,000m<sup>2</sup> (150,000ft<sup>2</sup>) climate controlled storage facility is only accessible to authorized personnel. Our employees are ITAR/EAR/ABDO certified, and insurance covers the full replacement value in case of loss or damage. On-site access to your stock and opportunities for physical stock count performed by us is also offered.

## Transactions System & Transportation

With a large network of logistical partners, we take care of your stock transportation needs. If you prefer to arrange your transportation, you can pick up your stock at our docking stations with ease. In addition to transportation and administrative services, we also provide technical support and quality assurance, for example with first article inspections (FAIs.)

## Flexible & Transparent Pricing

All our pricing is customized. Storage is calculated per m<sup>2</sup>, insurance fees depend on the value of stored stock, and handling and transportation fees are defined by your needs.

## Independent Leader in Maintenance, Modifications & Conversions

Your Fleet, Our Solutions. Together

### About Fokker Services Group

Fokker Services Group is an independent aerospace service company with a global reach. Providing comprehensive solutions from its five facilities in Europe, Asia and the Americas, Fokker Services Group is a key partner for regional, narrow-body and wide-body platforms in the Commercial, VIP, Cargo and Defense markets. The organization offers a unique set of capabilities, products and services: 'Modifications & Engineering Services' for the latest technical solutions; 'Component Services' such as nose-to-tail programs, exchange services, and component repairs; 'Material Services' such as parts manufacturing, spares deliveries, and tear-downs; 'Airframe Services' for aircraft MRO including lease transitions and painting; and 'Aircraft Completion & Conversion Services' for Executive, VVIP and Special Mission aircraft upgrades.
