

## Project Leader IT

Are you an experienced and driven Project Leader within the IT industry, looking for a real challenge in a growing company? Look no further! Our organization is seeking a talented and passionate Project Leader to join our team.

### The Role

You will be responsible for leading and managing infrastructure & Business IT projects from start to finish, ensuring that projects are delivered on-time, within scope, and within budget. The ideal candidate will have a strong background in infrastructure development and maintenance, as well as project management experience.

### Key Responsibilities:

- Develop and maintain project plans, budgets, and schedules
- Manage project resources, including personnel, equipment, and materials
- Coordinate project activities with stakeholders, including vendors, contractors, and internal teams
- Ensure project deliverables meet quality standards and are delivered on-time
- Identify and manage project risks and issues
- Monitor project progress and make necessary adjustments to ensure project success
- Provide regular project status updates to senior management and stakeholders
- Ensure adherence to project management best practices and company policies

### Qualifications:

- Bachelor's degree in engineering, computer science, or a related field;
- 5+ years of experience in infrastructure development and maintenance;
- 3+ years of project management experience;
- Strong technical skills in infrastructure technologies, including networks, servers, storage, and virtualization;
- Experience managing projects in a complex and dynamic environment;
- Excellent communication and leadership skills;
- IPMA-C, PMP or Prince2 certification preferred;
- Knowledge of ITIL best practices;
- Experience in drafting and implementing budget management plans;
- Fluent in English and Dutch, both verbal and written;
- Advanced knowledge of Agile methodology is a plus.

In addition to your technical skills, you have a flexible work attitude, with excellent communication skills and a keen eye for detail and quality. You are a team player and an

inspiration to your colleagues, with the necessary decisive leadership skills to drive projects forward.

### **What's in it for you**

Our organization has a passion for technology, and our employees are rightfully proud of what they develop and build. We offer a competitive salary package, including profit-related bonuses and 40 days of annual leave. But more importantly, we provide an opportunity for you to develop your career, gain unrivaled breadth of experience, and achieve your true potential in a growing organization.

### **About Fokker Services Group**

At Fokker Services Group, our greatest purpose is to exceed reliability expectations, keeping customer aircraft where they belong - in the sky!

The Fokker Services Group has a profitable revenue of Euro 250M and employs around 1000 people,

#### **Our Values**

As a High-Performance Organization, our core values shine through in everything we do:

#### **Customer Focus**

We meet and exceed our customers' expectations by offering unique and personalized solutions. Creating clear expectations and building a sustainable relationship based on quality, safety and trust is what we value most.

#### **Innovative Thinking**

Our success is based upon an innovative mindset. We identify and create new opportunities, products, and customer solutions by being brave, daring to lead and making decisions. With our entrepreneurial and growth mindset, we explore and learn ways of doing things differently every single day.

#### **Global Excellence**

We strive for quality, reliability, and excellence. Together we create a high-performance culture in which digital transformation, continuous learning and improvement is key. Sharing knowledge and working cross functionally helps us to inspire and achieve our shared goal; to exceed expectations and keep aircrafts where they belong; in the sky!

#### **We Care**

Our people are at the heart of our organization. Only when we work together can we create an inclusive and respectful work environment in which we motivate, support, and inspire each other. We make a difference by being open, honest, respectful, and empathetic towards each other. Safety, quality, and trust are paramount.
